

BOOK REVIEW FOR
WELSH FURNITURE 1250-1950 :
A CULTURAL HISTORY OF CRAFTSMANSHIP AND DESIGN

BY RICHARD BEBB

taken from: www.welshfurniture.com

"Bebb has produced not just a book about the history of furniture but also, with the generous use of contemporary photographs, a study of Welsh homes and Welsh people living proudly with it.

Thus, the two volumes become vital not just for the collector and dealer but also the antiquarian, the architect, the social historian, and for the countless number of people eager to trace their Welsh ancestry."
